

Good morning Scott!

I wanted to send you a quick note concerning the roofing job your crew did here.

Oscar, Preston, Rafael, Polo, and William did a super job. Their professionalism and respect to me and my family was superb. They were extremely conscious and cautious concerning the property. They kept their mess cleaned up all of the time and paid particular attention to continually going thru the yard, driveway, flowers, and pool to keep trash and nails cleaned up.

I had several people come by, stop, and request info about the company and crew. I highly recommended this particular crew to everyone and gave them your name, email address, and phone number. Hopefully it will bring you more business in the near future.

Again, please pass my thanks to you and the crew, as well as the company owner. Kudos and accolades to all concerned!

Regards,

Scott
